King County Executive Dow Constantine
King County Chinook Building
401 5th Ave. Suite 800
Seattle, WA 98104

Dear Executive Constantine,

We are residents and community leaders of Seattle District 5 and are writing in regard to the recent opening on the Sound Transit Board. For reasons that we will explain below, we respectfully ask that you consider appointing Seattle City Councilmember Debora Juarez, representing Seattle District 5, to replace Councilmember Rob Johnson on the Sound Transit Board.

Seattle District 5 is experiencing significant change due to the planning and construction of three of the newest Link Light Rail stations: Northgate, 130th Street, and 145th Street. As District 5 residents who are grateful for Sound Transit's investment in these projects and who want to see the implementation of the projects done in a way that best benefits District 5, Seattle, and all communities who contribute to and use Sound Transit, we believe that this is an extremely important time for there to be representation on the Sound Transit Board from Seattle District 5. Because of this we ask that you consider appointing the Councilmember for District 5, Debora Juarez.

Thank you in advance for your consideration.

Sincerely,
